1 & 2 Chronicles bible summary.

Chronicles is a beginning Genealogy & history report on Israel, as told through a priestly perspective, with attention on proper worship & the Law, as well as among other things, on details on the ark of the covenant.

The people rejoiced when they willingly made offerings, for they offered willingly unto a God with a perfect heart & David the king also rejoiced with great joy. David blessed the Lord before all the Congregation saying; Blessed be thou, O Lord God of Israel, our Father forever & ever. Thine, O Lord, is greatness & power & glory & victory & praise, for all that is in Heaven & in earth is yours, yours is the Kingdom, O Lord & you do excel, as head over all things. Both riches & honor come of thee, & you reign over all things & in your hand is power & strength to make great & to give strength unto all. Now therefore, our God, we thank thee, and praise thy glorious Name, 1Chronicles 29:9-13. God will fully test our hearts & is very pleased with integrity, so be bold & ask His spirit to fully fill your life & boldly guide your steps, today & always.

Chronicles focuses on a different purpose than the other historical books, though these do complement 2 Samuel & 1 & 2 Kings, which revealed Israel & Judah's actions, that resulted in their exile. These books of Chronicles, came after the time of the exile, focusing on the parts of history that God wanted the returning Jews to think upon, such as obedience, the priority of the temple & priesthood & a desire for David's descendants to remember God's promises to David, via the Davidic covenant.

When Chronicles was written, David's descendants no longer ruled over Israel, but the royal Davidic line, was still in play, as God had promised. After the seventy-year exile in Babylon, due to their disobedience to God, the Jewish political & social power came to be held by the religious leaders, whose view of Israel's history in Chronicles was to prepare the people for a future Messiah.

Chronicles is Israel's entire history; its rulers, wars, religious events, economic cycles, etc. starting with the beginning of mankind. It's the story of the king's successes & failings & God's faithfulness to His promises. It covers the genealogy from Adam & a history of Judah & Israel up to through the 12 tribes of Israel, with much focus on Kings David & Solomon.

The history covers from creation to the Babylon exile, as well as a look at the 1st King, King Saul's death & King David's reign & the prep's for the building of God's temple, by Solomon. David's shortcomings are not mentioned in Chronicles, but it was these failings, that can be found in 2 Samuel & Kings, that most likely kept God from allowing David to build the temple.

There are 9 chapters of genealogies, as well as a summary of God's covenant with David, who was a good king, that followed God, united the tribes of Israel & delivered the nation from its enemies & God made an everlasting covenant with David, that his son Solomon's throne would be established forever, 1 Chr 17.

Chronicles focuses intently on the temple, that David planned, Solomon had built & many kings were made & the law was renewed there. When Solomon became king, he asked God for wisdom above all things. God was very pleased & granted him wisdom, riches & power & Solomon built a majestic temple for God, in Jerusalem.

Israel flourished under Solomon's rule, becoming the most prominent nation in that region of the world, but after Solomon's death, 10 of the tribes broke from united Israel & formed a new kingdom of Israel in the North, while the Southern kingdom tribes of Judah & Benjamin remained loyal to David's line, forming the Southern Kingdom, Judah.

As we pass through here, we will see & experience good & bad, including the building up & tearing down of businesses, empires, countries, people & families, but no matter how hard; it will somehow be used by an amazing, loving, forgiving, caring, God, for good, on His time, for His purpose, as found in His word.

We cannot change what has been, or what is coming, that's God's job. Our job is to control our choices, actions & feelings & to lead others into the peace that we are finding, through learning about who we truly are, according to our creator, who loves us through all that we are & have done, as long as we call on Him, to help in who we are, or should be, becoming.

Can I prove that God is real, absolutely NOT.

When asked if I could prove that God exists, all's I could say was, I know that He does; I have felt Him, seen Him, talked with Him, heard Him & witnessed His presence, signs & wonders, so many times, in so many things. So, I know that He is real & He is everything that He says He is. But my knowing Him, is not proof, for you, so I prayed, can I prove God is real? & the spirit told me "absolutely not"? Which stunned me & then was explained to me; why I could not prove this.

God says to prove all things, 1Thess.5:21, as there are many evil spirits working to keep us from His truth. He also says that those who are blinded & who doubt Him; cannot see, nor understand & will not turn to Him for truth, or healing, as He has blinded the minds of unbelievers, so that they cannot see the light of the gospel, 2Corin. 4:4.

So you see, God only reveals Himself, to those who truly have faith in their need for Him; forcing none to believe, as He wants to be loved for who He truly is; a loving Father, not because of what He can do.

So to prove God exists, it can be done, but no one can do it for you. Only God can prove Himself to you, when you truly seek Him. God says to test Him; So, tell Him that you don't believe & ask that if He is real, for Him to prove Himself to you & then be patient & prepare. Study the bible, pray, talk to believers & prepare, as He is waiting for all to call on Him. God wants your faith, love & trust, as He wants to give you an inner life change unlike anything you have ever imagined, as He loves & believes in you & says in Math. 7:7-11, ask & it shall be given, seek, & ye shall find, knock & it shall be opened. For whosoever asks, receives & he that seeks, finds & to him that knocks, it shall be opened.

For what man is there among you, if your son asks for bread, would you give him a stone? If ye then, which are evil, can give to your children good gifts, how much more shall your Father in heaven, give good things to them that ask Him?

So open your heart, listen & follow His plans for your life & come to see how real He truly is. Open your eyes, heart & mind, as God has revealed Himself in all Creation, in His living powerful eternal Word & in His Son; the Heavens proclaim His mighty works, Psalm 19:1.

The universe, where He hung the Sun, moon & stars, declares His glory.

So, can I prove to you, that God is real, no but you can! just by asking, believing, watching & waiting, as the time is coming, when you will be glad that you joined with God, in spirit, love & truth. So call on Him today & prove for yourself that He does indeed exist & does love you & wants you in His eternal Kingdom, with Him.
