

100 (G) Let's Share a Flood of Love.

For all of us who have felt the flood of love from the spirit of God & who have been recovered from satan's worldly grip & are experiencing extreme personal growth in faith, we need to be using our time to share this flood of love, grace & faith for the building up of the Kingdom of God, by sharing this love with those, who may be lost, broken, lonely, or wavering on the verge of self-destruction. As James 1:22 teaches, be doers of the word, not just hearers, while deceiving ourselves.

We must stop trying to make time to help others, only God can make time, what we must do, is stop making excuses & just do what we are called to do, we must choose to show love & concern for all, at all times, even at our inconvenience, as that's the kind of love, God shows us & gave us to share with all.

This is not about religious programming, it's about a way of life, it's about spreading the truth of love, caring, sharing & of God's word, to people who are going to perish, if we do not step up & plant the seed of hope & truth that we all need & which is found, within us, by knowing that we can trust God & need to now be asking, what we can do to show God that He can trust us. Our goal should become, that when God searches our heart, that He should find Himself & His will, not ours.

You know this brothers & sisters, everyone must be quick to hear, slow to speak, & slow to anger, for a man's anger does not bring about the righteousness of God. Rid yourselves of filthiness & all wickedness, in humility receive the implanted word, which is able to save your souls. Prove yourselves doers of the word & not just hearers who deceive themselves. For if anyone is a hearer of the word & not a doer, he is like a man who looks at his face in a mirror; for once he has looked & gone away, he forgots what kind of person he is, but he who has looked intently at the perfect law, the law of freedom & has continued in it, not having become a forgetful hearer, but an active doer, this person will be blessed in what he does. If any thinks himself religious, yet does not bridle his tongue, deceives his own heart & this person's religion is worthless. Pure & undefiled religion in the sight of our God & Father is to visit others in their distress & to keep oneself un-stained, by the world, James 1:19-27.
