

101 F. Prove all things.

With over 45,000 Christian denominations worldwide, it can take work to sort God's Kingdom truths, from the churches belief's, teachings, traditions & inferences. But through faithful studies, the truth can be known.

Check out the council of Nicea in 325 A.D., remembering God said "Prove all things & hold fast to that which is good" 1Thessalonians 5:21. He says for everyone to study, test & prove His word, before believing what you hear, even if it's from the most studious preacher known, as no man truly knows what's in another's heart & even if he teaches you something false by accident, due to his taught untested belief, you will be the one held responsible by God because of 1 Thess. 5:21's warning to all.

It is so important to examine your beliefs, in the light of God's Word, for amazing spirit produced life sustaining truths, while crucifying false doctrines, traditions, legalisms & beliefs, including those on the coming tribulation for all, in which false beliefs could quash your true Christian identity. Remember that truth is truth, because it's true; not because it's what we want to hear, or have accepted & believed, because it sounds nice; as beliefs are often thoughts that have not been biblically proven, but taught, heard & believed.

Present yourself to God, as one approved, a worker who does not need to be ashamed & who correctly handles the truth of God, 2 Timothy 2:15, as we are warned not to follow cunningly devised fables, 2 Peter 1:16, remembering that only the truth will set us free John 8:32, even from

deception, but only when we hear it, seek it, study it, prove it & embrace it.

Now is the time to openly hear & to prove your beliefs, crucifying any false beliefs that bring selective vision & willful ignorance, against the truth of God.

Now is the time for repentance, for any false beliefs that may have been bought into, or otherwise taught, as all will be held accountable for that which they do, including falsely teaching that believers will not endure through the tribulation, with all sinners.

The entire word of God is for all people & the Believers will make account for their handling of it.

We are who God's word & prophecy was written for & are expected to study it, to prepare us, as we need to know & understand God's truths, including in the final period of tribulation, as scripture tells of the increase in the warfare against the Church, especially through false doctrine & teaching, Mathew 24:11, as there have always been false prophets & falsehoods trying to seduce the Church & we are to not follow any deceptive teachings, as all true scripture is God breathed & is profitable for doctrine, reproof, correction & instruction in righteousness, 2 Timothy 3:16-17.

Don't just believe what your fed, do as God says, as their will be no one to blame but yourself, if you hear from Jesus, depart from me, as I don't know you, as you did not take the time to prove & truly know the truth about Him & only knew what you heard, believed & trusted in, without taking time to test & prove all that others said about God, for yourself,

so do not be afraid to question others teachings & thoughts, to learn the truth together.
