

**101 H We must hate sin.**

Sin & lies can bring immediate, temporary, dreadful, costly, false pleasure & is the basis of the coming judgment, so we should learn to hate sin & to seek a new way. Upon receiving Christ, we must refuse to practice sin, as we now have been born of God.

1 John 2:4 says, If anyone says, "I know Him," "God" but does not keep His commandments, including to forgive & love all, he is a liar, as the truth is not in him.

We do not imitate what is evil, but do what is good, as we stop practicing sin as a way of life & let the difference between, the old way of life without Christ & the New Life in Christ, be seen by all.

We don't claim to be sin free, as we all fall into sin, but we stop practicing it, running into it, condoning it, or making excuses for it & we turn from it, if we happen to stumble into it, so we can be eye to eye with Christ.

Jesus came for all us sinners who continue to struggle, even after we are saved, as we will not know total absence of sin, until Christ returns, then we shall be like him, 1 John 3:2, through eternity.

The more we realize about eternity, the more we will learn to hate sin, as man is destined to die once & after that to face judgment, Hebrews 9:27.

No one will still love sin after he dies, so the sooner we think of sin, not as a pleasure, but as the basis of the coming judgment, the sooner we will hate our own sin & seek a new way of life.
