

104 2. BEGINNING OF END. ADAMS CHOICES.

Genesis, a book about beginnings & relationships, between God, creation & man. In the beginning, God created the Heaven & earth, Genesis 1:1. The earth was without form & void & darkness was on the face of the deep, the Spirit of God was hovering over the face of the waters, Genesis 1:2. We have no idea how much time lapsed between the earths creation in Gen. 1 & the start of our timeline in Gen.3 ? days or eons?, nor any idea of what massive event caused the earth to be formless & dark; possibly the fall of the “morning star” angel, lucifer, when he rebelled against God?

For His own reasoning, God chose for our knowledge of time to start after satan’s rebellion & at the earths new beginning in Genesis 1:3, when God said, let there be light & there was light & our timeline started. Since God is love, He wanted something that He could spend that love on & so He created us, as well as provided every element, to create everything that we are & everything that we would ever need to exist, on His earth.

Inside every person, no matter how deeply buried, is some knowledge of Him who created us, including aspects of His spiritual morality, of right & wrong, as men have some built in reasoning abilities, which also gives us a sense of being created for an eternal purpose.

We can also know that the way that our universe & bodies utilize an infinite number of items, in exactly the right balance & harmony, to help us function in supporting life, that there’s no room for happening by chance, or explosion, or evolving from animals, or slime, as there has to be a logical creator, for a logical creation to be born thinkers & to exist with purpose & that creator must be supernatural, which is who God says that He is, as the Great “I Am”, who has always been.

Now due to God's desire to share His eternal love, with His creation; He gave each one a hidden part of Himself, via His spirit, so that we would be able to learn how to follow Him, through complete faith, trust, belief & obedience, to which He then reveals His true self. Those who choose not to follow are allowed to quench His spirit & go their own way, on their trip of trying to prove & disprove, all that they can about Him, not realizing that the only way they can know the truth, is if they make the choice to believe in & to seek Him.

In Genesis, the First book of the bible, God speaks into existence all the things of the earth, starting with light, to which He says, the evening & the morning were the 1st day, 2nd day etc. clearly showing that these were 24 hour days, as the days went from, evening to morning. Some will say, "each day could have been a million years, yep & because of who God is, each day could have been 2 seconds, as well, as He didn't need time to create things; the timeline was for Man's purpose & which is why He put it into an understandable consistency. Time is in place for man to put his life & chores into a workable perspective, to balance our lives & is why time is near the same as it was 6000 years ago.

God took 7 days, but the timing is not worth arguing over, as what matters is that He did it; not how, or how long, or anything that takes away from the fact that it happened & we're here & need to be looking forward, at what we can do to get closer to God now; while using the gifts of the spirit to build up the body of believers, without arguing about irrelevant details. God knew when He gave us free will & ego's that we would get lost in a fog of irrelevant arguments & we need to get back on track with Him & stop making things important that aren't important, before it's too late to take care of what is important.

God knows everything, from beginning to end & assure us, that the end days will come & will be worse than anything ever imagined; He says, I am God & there is none like me, I declare from the beginning how it will end & foretell from the start, what has not yet happened. I decree that my purpose will stand & I will fulfill my plans, Isaiah 46:9,10.

God knew that once man started to multiply & grow in knowledge that he would eventually become prideful, greedy, disobedient & would be filled with his own ego, seeking to serve his own desires & even though there was only one law; Do not eat from the tree of knowledge of good & evil, or you will die; man broke it, in effect allowing disobedience, sin & sickness, into what had been a perfect world, but had now become a fallen world, due to disobedience. We don't know how long Adam & Eve were in the Garden of Eden before the serpent tempted & caused Eve to doubt God, as well as birthing the bondage of legalism, through her statement to the serpent.

When the serpent talked to Eve, she said, that God had said; not to eat of the tree & neither touch it, or you will die, God said don't eat from it, Eve added the legalism of not touching it, which is a binding inferred statement, added by man, that did not come from God, which may seem small, but if 50% of the population, were to add one little inferred rule to our relationship with God, we would end up with the church of man's inference & legalism, which has in effect seemed to have happened in some places?

So Eve was deceived, but when she handed the fruit to Adam, he had a choice to make, to be obedient & do as God said, or risk death, by following what Eve now believed & he chose to follow Eve's new belief, that eating the fruit would bring all knowledge? but which actually brought about sin, spiritual death & separation between man & God &

the perfect paradise was taken away, (maybe to Heaven for a later time?, a new time?) & everything changed, due to this one sin.

All sin is disobedience against God & always brings judgement & spiritual death, if left unattended.

God gave Adam dominion over the Earth, but by sinning, he became a slave to sin, handing over his authority & in effect giving satan the deed to & dominion over the earth, including full access to the political, religious, social, economic & educational systems, of this world, Gal. 1:4, of which satan is called the god of this world, 2 Cor. 4:4.

We know we are of God, but the world lies in wickedness, 1 John 5:19. In Mathew 4:8, we even find satan tempting Jesus, offering to give the world's kingdoms to Him, as Jesus knew that satan now had dominion over the Earth & obtained it legally, though not ethically, but still of which brought sickness, death, evil, envy, pain, killing into a world that was originally created to be void, of pain & evil & which will one day come again.

Now we can accept Christ's sacrifice to pay for our sins, John 3:16, as God knew His son would come & die to pay for the sins of those who accept Him; As the wages of sin is death, but the gift of God is eternal life in Christ Jesus, Romans 6:23. So you can choose to open & keep your mind on the things of God; void of boastful pride, ego satisfactions, learned beliefs, thoughts & traditions & your life will be changed, or you can hold onto all those things & your life will be changed, but in a different way, as we are warned, to not be like those who nullify the Word; following handed down, beliefs, opinions, thoughts & traditions, Mark 7:13, as stubborn hearts will bear wrath, Romans 2:5, but He that proves God's word & endures till the end, will reap the rewards of eternity, with all saved believers & Christ our Lord, in paradise on a new earth.

Father God, we ask that you enhance our spirit of learning & understanding, of all that you have done to bring us together, as a family. Now we seek out the truth of how to be united together, through you & your spirit of love, so that we may battle the evil of this planet together & find a common unity of brotherhood, that reminds us all; that for your spirit to live within us, that we must make room for it, by dispelling the myths, lies & misinterpretations that we may have believed & of which have diminished our capacity to fully know you, through your perfectly, understandable, truthful word.
