

102 F. He did do this 4 YOU.

Therefore, change your hearts & stop being stubborn, For the LORD your God, is the God of gods & Lord of lords.

He is the mighty & awesome God, who on judgement day will show no partiality & will not be bribed by those that chose to not believe, or those who ignored His law & testing & proving that which they were taught.

As men we must understand God's love & why He cannot be a wishy washy judge & pardon people after death. You must get to know Him through His nature, of pure love, which is not for those who deny Christ, but for those who stand for righteousness, as the greatest sign of His love is the death of His Son on the Cross.

Salvation is offered only after full understanding of the law & need for repentance from our transgressions, as if a person doesn't understand their sins, they will not understand, why they deserve God's wrath & why they need His grace. As true fishers of men, as is Mathew 28:19, we are to point people to Jesus & the love that held Him to the cross, as He bled & died, to pay the price of our certain death & eternal damnation, due to our sins. Jesus paid for our sins with His life, so that we could spend eternity with Him & the Father, if we believe in Him & the Father & believe that He beat death & rose again & walked out of the grave, while being seen by over 500 people before ascending to heaven.

Each person needs to repent (turn from sin) & work on living better, in our new life with Him, which will become fuller by understanding what He truly saved us from, because hell is a real place, that no one wants to suffer, especially with the knowledge of where they could have been, with a few life changes that Jesus offered time & time again. Revelation 3:20, Behold, I stand at the door, and knock: if any man hear my voice & open the door, I will come to him.

God so loved each & every one of us, that He sent His only son, to pay the price for our sins, so that we may have Salvation & spend eternity with the one who came to suffer & die, crucified, breathing His last painful gasp, humiliated & spit on; by the same people that He came to save, while hanging & bleeding on a cross for our sins.

How would we judge those that spit on the one who only wanted them saved from the torment of hell. Now how do we spit on that same word, that's just as alive 2000 years later.

So, to recap we must admit our sins & transgressions, believe that Jesus came & died, crucified & that He rose again, defeating death & walked out of the grave, having paid the price of death, for all our sins & as such by believing & repenting, we are saved & we have been commanded to evangelize this to other lost people.

So now via the Spirit of God & the Word of God & the command of God, it's time to start working with the tools of Evangelism, which you have via the Spirit, but that needs fine tuned against men's personal judgements & religious legalisms, while not fearing men, but the one who created & can destroy them.
