

104.31. What's your purpose.

WHAT WE WERE CREATED FOR.

Don't let your vision drift backwards, don't hold on to the old, don't look backwards while trying to move forwards, or you will fall. Look at the present, the new, the now & prepare for, but don't count on the future. Look for what God is doing today, to fully move you & all who you bring with you, into His Kingdom of righteousness, which is now?

The Kingdom of God has the ability, through us, to fill the entire world with the knowledge of the Saving Grace of Christ, if we remain reachable, teachable & teaching, as commanded, with a strong Godly vision of hope & a willingness to change.

God's Kingdom has the power to grow & penetrate every deep dark stronghold & rescue the lost & turn what once was meant for evil, into something for His good, if we will faithfully do what God commands us to do, evangelize, remembering that when we allow God to work through us, He will provide the tools & the growth, 1 Corinthians, 3:6.

The church was created to be the greatest institution on earth, not a building, but an internal institution, on the move, with all of God's greatest creation, humans, for keeping it moving forward, unaltered, throughout the ages. Teaching all to repent, as well as to love & forgive, just as God has done for us.

Unfortunately, when handed over to man, somehow traditions, legalism & beliefs were started & grew & came to hold a higher authority with some religious types, than God's own words; including God's rule of not adding men's inferences, to His clear words, such as personal, religious, political, cultural, or educational, thoughts & opinions, to reinterpret in man's terms what was perfectly said by God Himself.

We also must grow our burden on showing the saved how to maintain a burden for reaching the lost, not only hanging out with the “saved” on Sunday & at whatever events we can provide, which the gathering of believers is very important, but we must not lose sight of the so many in our midst, outside the gathering, who are lost & dying & facing the burning pits of hell daily, as there are forces, counting on us, to get brave, get bold & step up to the plate, to give these sinners, just like us, a chance to be taken into an eternity with Christ, with us, through a little faithful sharing, witnessing, evangelizing, by us “Gods Church” as while gathering with others, or reaching out to individual family, friends & strangers, you are God’s church, in action!
